

Biography

Gil Marques

Mr. Gil Marques currently serves as Vice President Sales for Tacel Ltd, where he has been employed since 1992. During this time at Tacel, he has participated in a number of ITS projects including the implementation of Advanced Traffic Management and Incident Detection Systems within Canada.

He graduated with a Bachelor of Science in Electronics Engineering Technology and throughout his career he has embraced new technologies to achieve innovative and long-term solutions for the ever-changing transportation industry.

Gil is a team player and excels at solving problems. He likes to “think outside the box” to produce solutions that may be overlooked. If elected to the Board of Directors for ITS Canada, Gil will make positive contributions in helping to pave the way for the vision of ITS Canada in these uncertain times. Gil would like to explore the possibility of contributing to one of the technical committees ITS Canada has to offer.

He serves on the Board of Directors for Tacel Ltd and understands the need to be dynamic in a changing world, and with his experience at Tacel will help make positive decisions for the society. He is an experienced participant on many industry trade shows such as ITS Canada, TAC, IMSA, CITE, and Others.

He would not stand for election as Chair of the Board at this time.
