## INDEPENDENT AUDITOR'S REPORT

To the members of  
**Intelligent Transportation Systems Society of Canada (ITS Canada)**

### Opinion

We have audited the financial statements of Intelligent Transportation Systems Society of Canada (ITS Canada), which comprise the statement of financial position as at March 31, 2025, and the statements of operations, changes in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2025, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit corporations.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization, or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

*/ continued*

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Intelligent Transportation Systems Society of Canada (ITS Canada)**

### **NOTES TO THE FINANCIAL STATEMENTS**

March 31, 2025

---

#### **Nature and Purpose of Organization**

Intelligent Transportation Systems Society of Canada (ITS Canada) ("ITS Canada" or "the Society") is a not-for-profit organization without share capital incorporated under the Canada Not-for-Profit Corporations Act. As a not-for-profit organization, the Society is exempt from income tax under section 149 of the Income Tax Act (Canada).

The purpose of the Society is to facilitate cooperative activities related to intelligent transportation systems ("ITS") among various stakeholders in Canada, exchange information related to ITS technologies, provide a neutral forum to discuss issues related to innovation, standardization, inter-operability and harmonization of ITS technologies, sponsor and/or co-sponsor conferences, workshops, seminars, exhibitions and training courses related to ITS, and to facilitate Canadian participation in international ITS activities.

#### **1 / Significant Accounting Policies**

These financial statements have been prepared based on the following accounting policies, in accordance with Canadian accounting standards for not-for-profit organizations.

##### **a. Revenue recognition**

ITS Canada follows the deferral method of accounting for grants and contributions. This method recognizes restricted contributions in the period in which corresponding qualifying expenses are incurred or corresponding events have occurred.

Membership fees, conferences, general meetings, and sponsorship revenue are recognized in the period when they are earned or to which they relate, and when collection is reasonably assured. Until they are recognized as revenue, amounts collected are recorded as deferred revenue, a current liability on the balance sheet.

##### **b. Financial instruments**

Investments quoted in an active market are stated at fair value. Unrealized changes in fair values of such investments are recognized as gains and losses in the statement of operations. All other financial instruments are measured at amortized cost less a reduction for any assessed impairment in value.

##### **c. Contributed services**

Volunteers contribute their time to assist ITS Canada in carrying out its objectives. Due to the difficulty in determining their fair value, contributed services are not recognized in these financial statements.

##### **d. Related party transactions**

The Society considers direct expense reimbursements to related parties to be transactions with the suppliers that actually provided the goods or services as listed in expense claims and supported by invoices of those suppliers. Unless the source supplier was a related party, direct expense reimbursements are not considered to be related party transactions.

*/ continued*

## Intelligent Transportation Systems Society of Canada (ITS Canada)

### NOTES TO THE FINANCIAL STATEMENTS

March 31, 2025

---

#### 1 / Significant Accounting Policies *(continued)*

##### e. Use of estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make reasonable estimates and assumptions that affect the recognition, measurement and disclosure of amounts reported in the financial statements and accompanying notes. The reported amounts and note disclosures are determined using management's best estimates based on assumptions that reflect the most probable set of economic conditions and planned courses of action. Actual results could differ from such estimates.

#### 2 / Short-Term Investments and Investment Income

	2025	2024
Interest earned	<b>\$11,583</b>	\$189
Change in fair values of investments during the year	<b>515</b>	-
	<b>\$12,098</b>	<b>\$189</b>

Short-term investments in the year consist of:

	2025	2024
Mutual funds - fixed income	<b>\$91,046</b>	-
Cashable guaranteed investment certificate, bearing interest at 4.5%, maturing July 2025	<b>87,500</b>	-
Guaranteed investment certificate, bearing interest at 4.0%, maturing July 2025	<b>87,500</b>	-
Guaranteed investment certificate, bearing interest at 5.0%, maturing July 2026	<b>87,500</b>	-
Guaranteed investment certificate, bearing interest at 2.0% (2024 - 2.25%), maturing January of the subsequent year and held as collateral for the credit card used by the Society	<b>10,000</b>	10,000
	<b>\$363,546</b>	<b>\$10,000</b>

#### 3 / Accounts Receivable

Accounts receivable ordinarily comprises government contributions under project agreements, investment income accrued, sundry recoveries from members and sales tax rebates, if any.

/ continued

## Intelligent Transportation Systems Society of Canada (ITS Canada)

### NOTES TO THE FINANCIAL STATEMENTS

March 31, 2025

#### 4 / Deferred Revenue

	2025	2024
Balance, beginning of year	<b>\$110,103</b>	\$147,138
Add: amounts received in the year for subsequent year AGCM	<b>258,285</b>	109,059
Add: amounts received for other future occurrences	<b>1,676</b>	-
Less: recognized as revenue for current year AGCM	<b>(109,059)</b>	(143,823)
Less: recognized as revenue for other ITS activities	-	(2,271)
	<b>\$261,005</b>	\$110,103

Deferred revenue consists of amounts received in advance from members and customers for conferences or other events occurring in a subsequent period.

#### 5 / Sponsorships for Conferences and Trade Missions

	2025	2024
Government of Canada contributions for international trade development activities	<b>\$29,155</b>	\$26,918
Sponsorships from members for ITS Canada exhibits at international events and trade missions	<b>28,844</b>	-
Member contributions towards international trade activities	<b>2,750</b>	-
	<b>\$60,749</b>	\$26,918

#### 6 / Commitments

During the year, the Society entered into contracts with venues and vendors in relation to its Annual Conference and Expos (AGCMs) occurring in the subsequent years. As at year end, minimum future payments under these contracts are \$131,375.

#### 7 / Financial Instrument Risks

Cash and accounts receivable are the significant financial assets. Accounts payable are the significant financial liabilities. All financial instruments are measured at amortized cost. The financial assets are subject to:

- credit risk, which is the possibility of a debtor's failure to repay debt instruments and related income when due;
- interest rate risk, which can affect the value of bonds and debt-based funds with future changes in interest rates; and
- market risk, which is the risk that future fair values or cash flows will fluctuate because of changes in market prices. Market prices can be affected by currency fluctuations and other economic factors.

Liquidity risk, that financial obligations may not be met, exists as is does for all entities. The risk exposures are consistent with those of the preceding year.
