

Matt Colwill BIO

Matt Colwill, B.A.Sc., P.Eng., has over 15 years of experience in the fields of traffic operations road user safety. Matt has conducted operational and safety reviews for a range of public and private sector clients, across North America and around the Globe. Matt was a member of the team that worked on the City of Toronto's Downtown Curbside Management Strategy, and he has conducted research on optimizing curb space allocations for passenger pick-up/drop-off activities. More recently, Matt has been working to apply the knowledge and lessons learned from his work in transportation to help expand IBI Group's service offerings in the Infrastructure, Buildings, and Intelligence sectors – Creating a Smarter Urban Future.
