Vision

A better world
transformed by
intelligent mobility.

Safer. Greener.
Smarter.

From Demos to Deployment

- Waymo achieves 5 million self-driven miles
- Toyota Announcement for V2V for 2021
- New York, Tampa Bay and Wyoming V2I deploying – V2I in 26 states
- Cybersecurity
- Mobility as a Service

The Next Decade

- **How Deep Will Technology Penetrate?**
- **How many Connected and Automated Vehicles can we expect to see?**
- **How will traffic change? How will roads change?**
- **Can we leverage technology to improve capacity?**

Leadership

An aerial night view of Singapore, featuring the city skyline and the Marina Bay Sands hotel. A network diagram is overlaid on the image, consisting of a central glowing orange node with numerous lines radiating outwards to other glowing nodes scattered across the city. The overall color palette is dark blue and black, with the network lines and nodes providing a bright contrast.
