ITS Canada's commitment is to be the national thought leader on advanced technologies and their application to the Canadian transport system. We actively support the use of these technologies by advocating their benefits; by showcasing and demonstrating the expertise of its members, as well as their products and services; and by providing the necessary tools, platforms and forums for networking, learning and collaboration.

ITS Canada membership offers a range of benefits, including;

- ✓ Participation in multi-disciplinary Committees:
 - *Connected/Automated Vehicles Technical Committee;*
 - *Advanced Public Transit Systems Technical Committee*
 - *Advanced Traveller Information Technical Committee*
 - *Road Use Charging and Revenue Systems Technical Committee;*
 - *Advanced Traffic Management Systems Technical Committee*
 - *International Business Development Committee*
 - *Membership Services Committee*
 - *Annual Conference Planning Committee*
 - *Policy Committee*
 - *Academic Advisory Council*
